

Reflexology

Aphrodite Beauty & Spa is now permanently offering Reflexology at our Newbold salon with Anna Angel MAR

Reflexology – ‘Tailor made treatments for your requirements’

‘Reflexology’ is a deeply relaxing experience, derived from an ancient technique of the application of gentle, firm pressure to specific reflex points usually on the feet but can also be applied to the hands. Reflexology has shown to be very effective for many conditions, and can be a preventative health care.

Initial Consultation & Treatment: £25 (1hr)
